

Three-tiered System of Student Supports: School Reflection Tool

Directions: First list programs and interventions currently in place to support student mental health and resources available to support each tier and identify gaps in services and resources. Second, use the same chart to identify new programs and interventions your school team will strive to improve/implement.

Programs and Interventions IN PLACE	Programs and Interventions to Add
Tier 3 – Intensive – High-risk Students	
Tier 2 – Targeted – At-risk Students	
Tier 1 – ALL Students
